

VOZOK AGRITOURS

CANADA AGRICULTURAL TOUR

10 Days Escorted Tour
Departing July 7, 2025

Farming &
Innovation in
Saskatchewan

TOUR HIGHLIGHTS

Voazok Agritours offers an exclusive agricultural technical tour that showcases Canada's rich agricultural landscape, cutting-edge farming techniques, and sustainable practices. The tour allows participants to connect with industry experts, explore innovative farms, and gain insights into the future of agriculture. This tour is perfect for farmers, agribusinesses, professionals, educators, investors, and agricultural enthusiasts. The tour takes place in Saskatchewan, where participants will experience the vast skies, fertile lands, and breathtaking natural beauty of the Prairie province that will spark creativity and inspire new ideas. Farming in Saskatchewan has evolved significantly over the years, shaped by technology, market conditions, and the resilience of farmers. Our tour highlights include:

- Discovering the charms of Regina and Saskatoon, Saskatchewan's vibrant cities
- Visiting cutting-edge agricultural and horticultural enterprises, featuring grain farms, dairy operations, thriving orchards and vegetable farms
- Touring the prestigious USask Livestock Research Center and engaging with producer groups
- Learning about the latest technologies at ag machinery manufacturing companies
- Marveling at the breathtaking beauty of canola fields in bloom, with their vibrant yellow flowers
- Exploring the largest mall in North America, West Edmonton Mall
- Attending Ag in Motion, Western Canada's largest farm show, in Saskatchewan
- Networking events with agricultural investors and companies to foster valuable connections

WHY VISIT CANADA ON AGRITOURISM?

Canada's vast and diverse landscape is mirrored in its agricultural sector, where farms vary greatly in size, scope, and production from coast to coast. This diversity is the cornerstone of Canada's agricultural success. Saskatchewan is home to some of the largest agricultural operations in the country. Saskatchewan's farms showcase a remarkable range of production, including grains, oilseeds, fruits, vegetables, beef, pork, poultry, dairy, and greenhouse vegetables by leveraging innovative technology for year-round production.

Canada has solidified its position as a pioneer in the global agricultural technology market, spearheading innovation and embracing cutting-edge solutions. This vibrant agricultural sector is a shining tribute to Canada's storied farming legacy and its unwavering dedication to nourishing a growing global population. Saskatchewan's diverse agricultural and agri-food sector has garnered international acclaim for its consistent delivery of premium quality food and ingredients. As one of Canada's largest exporters of agri-food products, Saskatchewan plays a vital role in feeding global markets and driving economic growth. The province's reputation for excellence has made it a trusted partner in the global food supply chain.

Agritourism in Saskatchewan provides a unique way to experience the province's rural culture, learn about agriculture and innovations, and network with other producers and investors.

TOUR ITINERARY
(Final Brochure for the trip will be available in May 2025)

Day 1 | Tue, July 8, 2025

You will be pick up from the airport and drop off at TownPlace Suites - Saskatoon

Day 2 | Wed, July 9, 2025
Relaxing and Saskatoon City Tour - BLD

Today, we'll embark on a leisurely tour of Saskatoon, accompanied by our knowledgeable guides, Bill Brown and Derrick. The goal is to acclimate you to Saskatchewan time, so we'll take it easy in the morning. As we set out on our bus tour, you'll discover the city's hidden gems and scenic spots. Following our tour, we'll head to a Farm located just south Saskatoon, where we'll enjoy a delicious supper. We'll depart the farm around 7:30 PM, bringing the day's adventures to a close. This relaxed pace will allow you to unwind and get accustomed to your new surroundings, setting the stage for an unforgettable journey ahead.

Day 3 | Thurs, July 10, 2025
Visit to USask Livestock Centre of Excellence and Meet with Producer Groups - BLD

This morning, we will visit the University of Saskatchewan's renowned Livestock Centre of Excellence, a cutting-edge facility dedicated to advancing livestock production. We will have the opportunity to engage with student researchers, gaining insight into their innovative projects and groundbreaking work. During our visit, we will delve into the latest developments in feed formulations and explore the innovative approaches being implemented to enhance livestock production. This hands-on experience will provide a deeper understanding of the science behind sustainable and efficient livestock management.

In the afternoon, we will connect with local producer groups, learning firsthand about the collaborative efforts of Saskatchewan farmers. We will gain valuable perspectives on how these groups work together to achieve common goals, share knowledge, and drive progress in the agricultural sector. This exchange will offer a unique glimpse into the strong sense of community and cooperation that defines Saskatchewan's farming industry.

Day 4 | Fri, July 11, 2025

Visit to Nunebor Farms Inc. - BLD

Following early morning breakfast, we will depart from the hotel at 7:30 a.m. aboard our bus, bound for Rivercourse, Alberta, where we will visit a thriving commercial grain farm. This immersive, full-day experience will grant participants unparalleled access to the inner workings of a Canadian farm. The visit will feature farm-to-table meals, showcasing the freshest, locally sourced ingredients, expertly prepared on-site. Accommodations will also be provided close to the farm, allowing for a truly authentic experience.

This unique opportunity will enable participants to engage with a prominent Canadian commercial farmer, the chair of the Saskatchewan Canola Development Commission, and a respected leader of several producer groups. Through insightful discussions and hands-on learning, participants will gain a deeper understanding of farming practices and innovation in Canada.

Day 5 | Sat, July 12, 2025

Visit to the West Edmonton Mall - BL

Today, we embark on an exciting journey to Edmonton, Alberta's vibrant capital city. Our day will be filled with exploration and discovery as we experience the best of Edmonton. First, we'll visit the breathtaking Muttart Conservatory, a botanical garden featuring four stunning glass pyramids, each showcasing a unique climate zone. This oasis in the city will leave us in awe of nature's beauty.

Next, we'll indulge in a tasting tour at one of Edmonton's premier craft breweries, sampling local beers and wines that showcase the region's flavors. Finally, we'll cap off the day with a visit to the iconic West Edmonton Mall, one of North America's largest shopping centers. This entertainment paradise boasts an impressive array of attractions, including an amusement park, waterpark, ice rink, and more. As the day comes to a close, we'll settle in for a comfortable night's stay in Edmonton, ready to take on the next day's adventures.

Day 7 | Mon, July 14, 2025
Trip Outside Saskatoon - BLD

As we journey north, we'll make a brief yet enlightening stop at Gardiner Dam, a vital piece of infrastructure that plays a crucial role in supporting the daily lives of citizens, farmers, and industries across the province. Our next destination is Broderick, where we'll delve into the fascinating world of potato seed production at Tubersome Technologies. This tour will offer a unique glimpse into the innovative processes and techniques driving Saskatchewan's agricultural sector forward.

The final leg of our tour takes us to Wolf Willow Winery, where we'll indulge in a leisurely lunch amidst the picturesque surroundings. This relaxing conclusion to our tour will leave us refreshed and satisfied before we make our way back to Saskatoon.

Day 6* | Sun, July 13, 2025
Drive back to Saskatoon - BL

Following an early morning departure at 8:00 a.m., we will embark on a scenic drive back to Saskatoon, with several enriching stops along the way. Our journey will take us back to the heart of Saskatchewan's agricultural landscape, where we will have the opportunity to engage with commercial grain farmers and gain insight into their operations. We will visit leading agricultural machinery companies, showcasing the latest innovations and technologies driving the industry forward. These stops will provide a unique chance to learn from industry experts, ask questions, and foster meaningful connections. Through these interactions, we will gain a deeper understanding of the complexities and opportunities within the agricultural sector, making our journey back to Saskatoon an enriching and memorable experience.

* This tour includes a stop at the Lakeland College for professionals from the education field to learn about the Student-Managed Farms and farm simulation programs.

Day 8 | Tues, July 15, 2025
Attend Ag in Motion - B

Following breakfast, we'll depart for Langham to attend the Ag in Motion event, where we'll spend the day immersed in the latest agricultural innovations. This premier annual trade show and demonstration event in Saskatchewan, Canada, offers a unique platform for: showcasing cutting-edge farming technologies and equipment; demonstrating products and services; sharing knowledge and best practices; and fostering industry connections and relationships.

The event features an array of live demonstrations, exhibits, seminars, and workshops, all designed to propel the growth and development of the agricultural sector in Western Canada and beyond. Additionally, tour participants will have valuable opportunities to network and engage with agribusinesses and farmers, further enhancing the experience.

Day 9 | Wed, July 16, 2025
AgriSummit: Elevating Agriculture, Enhancing Connections - BL

Today, you will join our global community of agricultural professionals and enthusiasts in Saskatoon! You'll connect with fellow farmers, agribusinesses, and industry experts from Saskatchewan and around the world. Learn from renowned keynote speakers, engage in insightful panels, and participate in interactive workshops to stay ahead of the curve on cutting-edge agricultural innovations and best practices. Share your experiences, expertise, and ideas with like-minded individuals and build valuable relationships. Discover new opportunities for growth, collaboration, and success in the agricultural sector. This is an unparalleled opportunity to expand your network, knowledge, and business in the agricultural industry!

The networking session will focus on connecting with CEOs of agribusinesses eager to explore export opportunities in Africa and seeking partnerships to expand their reach. This is a prime opportunity to diversify and grow your agribusiness portfolio. We're thrilled to partner with Engaging Farmers International (Saskatchewan) and Global Entrepreneurship Network (GEN) to bring you this event, proudly supported by Saskatchewan Trade & Export Partnership (STEP). Don't miss out on this chance to build valuable connections and take your agribusiness to the next level!

Day 10 | Wed, July 17, 2025

Meeting and Return to Home Country - BL

Following breakfast, we will engage in a productive meeting with officials from the Saskatchewan Startup Institute, gaining valuable insights into the exciting agribusiness opportunities emerging in the province. After the meeting, we will take a break for lunch, refueling for the final leg of our journey. At 2:00 PM, the bus will depart for the Saskatoon Airport, where we will bid farewell and drop off our guests, bringing our enriching tour to a close.

*Tour participants from Ghana may stay to attend the Canada-Ghana Agribusiness Summit on July 17 and depart on July 18 for an additional fee of \$250 plus taxes, covering conference fees, one night's shared accommodation and meals as indicated in the conference package. This optional extension allows participants to extend their stay by one day.
